

Cagrilintide Safety Data Sheet (SDS)

Access safety and handling information for Cagrilintide supplied for laboratory research and manufacturing applications.

Product Identification

Product Name: Cagrilintide

CAS Number: 1415456-99-3

Molecular Formula: C₁₉₄H₃₁₂N₅₄O₅₉S₂

Molecular Weight: 4409 g/mol

PubChem CID: 171397054

Form: Lyophilized Powder

Grade: Research Grade

Safety and Handling

Always review the current Safety Data Sheet before handling Cagrilintide. Use appropriate personal protective equipment and follow your facility's laboratory safety and chemical hygiene procedures.

Storage

Store and handle Cagrilintide according to the conditions specified in the current Safety Data Sheet, Certificate of Analysis (COA), and applicable product specification documentation.

Download Cagrilintide SDS

Download the current Cagrilintide Safety Data Sheet for detailed product identification, handling, storage, safety and related information.

Related Documentation

Additional product documentation may include the batch-specific Certificate of Analysis (COA) and Cagrilintide Product Specification Sheet.

Research Use Notice

For laboratory research and manufacturing purposes only. Not for human or veterinary use, diagnosis or treatment.
